“ I just wanted to say sorry for everyone lost I just wanted to say This legend , a black woman that does rocks, the queen of North Carolina , a queen of a mother , a queen of a grandmother and more I just wanted to say thank you for letting me be with you and sharing the wonderful times and gifts that you have gave to me there is nothing that I wouldn't ask for like grandmother like you . You have so much potential , love , kindness and a beautiful spirit .you have living a good life .i love you to the moon and back . There are so many things that I wanted to say but I can't I just wanted to say grandma I love you from the bottom of my heart . You brought so many tears and happiness on people faces that when they were down you brought them back up I jus wanted to say I love you and I miss you a lot . You are my angel and my baby now that you're in a better place now and you have peace and love and God is with you grandma from shay

“ Grandma, I thank God for allowing you to be grandmother, a mother and a humble lady that gave me hope. I think about the many calls talking to you grandma should I do this or that, you always stayed positive on every situation. I know your with God and I'm at peace with that. Much love from (Neicey) your 1st grand baby. Truly you will be missed.
