

Mr. Ethan J. W. Ward

November 7, 2001 - June 12, 2022

On June 12th, Ethan Jeremy William Ward was called home while resting at home. He was a son, a brother, a uncle, an athlete, a 2020 Pine Forest High School graduate, and college student matriculating through Methodist University. As a high school graduate, he received many honors and awards from Pine Forest High School in academics and athletics. He was truly the epitome of a student-athlete. He was a NC Scholars recipient, National Honor Society student and Career Technical Education Honor student.

Ethan was awarded a full scholarship to Methodist University, and was a member of the track team. He majored in Sports Management and aspired to continue his trek in the area of athletics.

Ethan participated in sports since he was a toddler, and in formal sports since his 5th grade year at Woodmoor Elementary School in Woodlawn, MD. He was active in football, track and field, and wrestling. Upon his family's move to Fayetteville, NC, he earned a varsity letter in all three of these sports.

We are starting this fundraiser to help our family with homegoing expenses.

We rest assured in knowing that Ethan is with us in spirit and has left a loving family, coaches, teachers, teammates, classmates, and many who were impacted by his loving kindness and humble nature.

In the words of his football coach, Bill Sochovka: "Ethan was a focused student athlete whose work ethic both in the classroom and the football field was superior to none. He led by his actions and was well respected and loved

by his teammates, coaches, teachers and the rest of the PFHS family. His smile was infectious."

From mom "My precious Ethan and protector, I love you so much and I am very proud of you. Meet me at the beach." I'll see you soon.
We love you son.

We will always remember that smile! The family would like to thank you for your prayers, acts of kindness and comfort during this time.

“ Oldest grandchild Khyiah you are so overprotective of your brothers. Now Ethan is above watching over you. He will always be in our hearts. A light from our household gone. A place in our home is vacant which never can be filled.

“ I met Ethan through my daughter. When I learned of his death, it broke my heart. Ethan's smile is the first thing I noticed about him. Then after I got to know him, I thought... WOW, this young man is amazing. Academics, sports, friends and family were important to him.

I was soooo proud when he told me he received a track scholarship through Methodist University. I have witnessed how hard Ethan's death has been on many who knew him. I pray for peace on the hearts of everyone who is having the difficult task of adjusting to a new normal without our precious Ethan on this earth. Heaven gained a very special angel...Rest in Paradise. We love you💚💛💚💛💚💛
