“ SYMPATHY: *It's always hard to lose someone. That meant so much to you. Someone who touched your life. Who helped you make it through. Someone who you dearly miss. Who just can't be replaced. The future that's before you. Is so hard now to face. Their death has hurt you deeply. You need time to grieve. Please know that I am here for you. For anything you need. May you feel Gods love and comfort. May your memories never fade. Of the precious loved one that you lost. Who in heaven you'll see some day! To The Family: In 1998 I needed a public official to notarize my application for appointment before I became a notary public in Harnett, County. Mrs. Ethel Clark was that sweet person, and I was truly honored. Family keep looking up, and God Bless You! From: Wanda Manuel Johnson and my entire family, which is from St. Louis, Missouri!*
