“ We have lost a good man, son and friend. he will be missed very much. he was loved by allot of people because he was a nice person and he tried to help everyone out if he could. i'm not trying to say my son was perfect but we all make mistakes in life but i loved him very much and i will miss us laughing on the phone and when he came to spend time with myself and his grandmother. my heart goes out to his mother tonuia because there's nothing worse than a mother loosing their child. i know that tino is in a better place where his soul is at peace.
