“ Ms Eula words cannot express the sadness I feel hearing of your passing . I enjoyed the late afternoon talks we had sitting on your porch and going out to Fullers restaurant enjoying each other’s company. Not only were we neighbors for over 36 yrs but also friends. Your passing has left a void in my heart, but knowing that you are in a better place and are no longer suffering gives me peace. I know that you’re resting in the arms of Jesus. I love you and will always miss you my friend.
