I'm going to miss you mom. All the good times we shared together at my house eating together, clothes shopping, going to church together and just doing all kind of random daughter and mom things together. No one knows how that made me feel inside to know that you cared and loved me that much even when I didn't cared for myself. I thanked God every day for allowing you to enter into my life and brighten it each day you breathe on his earth. Sleep on my mom I'm going to miss you and I love you very very much. I'm still your daughter you never had [smile].Rose

“ Praying for God to comfort, strengthen and to give His Shalom peace to family members and friends. We had the privilege of meeting Mrs. Hardister during worship services we rendered at Highland House. She was always in attendance and encouraged other residents to attend. She was such a powerful inspiration, a precious jewel, always exuding the characteristics of a Proverbs 31 woman. While she shall be greatly missed, “We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord.” II Corinthians 5:8.
