“ I remember my first day at Bco 705th 1999 he was just getting done with pt and putting his boots on and I remember seeing how incredibly shiny they were then he went on to ask me about my life and my goals. He truly cared about his soldiers he always set the standard.

“ JoAnne, Trizie, Fabias and family. You have our condolences from both the Dougherty and Mack families. Mr. UT was a joy to be around and talk to. He always had something inspiring to say. He will be greatly missed but truth of the matter is he is a much better place where he can be free of any pain and misery. Take care and stay safe.
