“ *Mama Byrd was such a special person and she grew to be a great friend to me. I am going to miss her so very much. She really cared about me and was always asking about my family and telling me she would pray for them. She loved to say "This is the day the Lord has made. Let us rejoice and be glad in it." We would say it together. She always brightened my day. I loved her very much!*

“ From the power of the grave I will redeem them; from death I will  
recover them." this is the hope that our Creator provide for those  
who have died. this provision was made because of his love for  
mankind and because death was not purposed to be part of man's  
existence. May this hope comfort and strengthen the family.
