“ Floyd was like family to us. He was the only boy my mom would let come and go out of our home without any questions asked. He kept our whole family smiling and laughing.

My favorite memory was just spending time with him watching TV, joking and laughing at everyone that walked by us. He was so easy to love. I never saw this coming... I want to ask him so many questions...

Floyd was the first friend I made at Douglas Byrd high school and this loss left a huge hole in my heart ❤️ He wasn't supposed to leave so soon.
