“ My condolences are with the Parker family. I didn't spend a lot of my adulthood with my lil cousin Francesca, but I have fond memories of her as a little girl with long rope like braids down her back. As the baby of the family, Francesca, aka, Deedee was quiet with a lovely smile. She will truly be missed. May God comfort and give strength to the family, friends, and loved ones she left behind. I love you Deedee. RIP my sweetheart.
