“ Deacon Greene,
Now united with your bride, may your souls rest in the bosom of the Almighty. Having known you since '91 you stood as a shining example of what a man, a Godly man, is and should be to me and many others who call Mt. Olive M.B. Church home. I have many memories of you but none resonate in my mind more so than those times when you stood before the church to pray. You oftentimes prefaced each prayer with words of encourage and advice to the youth; I vividly remember you speaking of a time when you were in the hospital and you realized one of your nurses was a former student of yours in school. She rendered great care to you because she remembered the care and concern you rendered to her and all of your students. You spoke of how important it is to treat people fairly and with dignity because you never know who will have to help and assist you later on in life... that time at Mt. Olive has stayed with me all these years and now that you have gone on to your heavenly home this place will be all the more lonelier. To the Greene family and all families connected may you find comfort and peace during this time of bereavement; know that the Comforter (Jesus) is still in the comforting business; know that as you weep now, joy will surely come in the morning.

Sincerely,

Robert E. Coleman, Sr. & Family
