“ *I attended Ft. Irwin Middle School with him. We were on the basketball team together. He was a real good person down to earth. He made school fun with his uplifting spirit. Rest easy my friend. Stephen Dodge*

“ Mr. and Mrs. Blue I send my condolence to your family. I pray and know God will provide the strength and comfort in your time of bereavement. Blue was a great man, we grew up together coming into Fayetteville around the same time. We got to share nothing but good times at school, in our neighborhood , and at church together. I couldn't wait to go spend the weekends at my dad's house; Blue, Lil Jon, Lashawn, and myself always had fun ordering pizza watching movies, playing games and acting the fool with jokes, or the real talks we would have on my porch about life. At church you kept us laughing in Sunday School we enjoyed the good Ole' Parks Chapel days as we would say. I know we appreciated being raised to develop a relationship with God, we often discussed how it kept us grounded and made us the Man and Woman we are today. So many memories to share seeing we spent a lot of our teenage life together but I'll never forget the last time we shared a conversation and a hug after not seeing each other in years after high school. I know Blue is in the Kingdom of God.

Mr & Mrs Blue I'am sending out my prayers to you and to your family. I hope that God gives you strength during these hard times. I met Blue in 1994 when I first moved to Ft. Irwin, we actually lived right across the street from one another, he was the first person that i met, and because of him i was able to get around, and meet other people. He had such a kind soul, and he was so humble. I loved his smile, and how he loved to sing. Last time i saw Blue was back in 2004, and even though we didn't keep in touch often, i am deeply hurt by his passing. He will forever be in my heart, and i know that he will rest in peace away from this wicked world. R.I.P my dear friend, I LOVE YOU!

Navia or as you liked to call me Janet
