“ I'm lighting this candle on behalf of Gerald and doing this for his baby brother Tommy. This is ever so hard on Tommy as he recently had a stroke and is unable to attend the funeral. He said the last thing his brother told him when he was in the hospital was to get better and that he loved him, that is a memory Tommy will forever remember and replay in his mind. Tommy loved his brother so much and is heartbroken by the passing of his brother. We pray that his wife and kids are well as they lay their husband and dad to rest. I remember when we went to North Carolina Tommy asked Gee could he ride one of his bikes, Gee told him not without his Mike endorsement lol. Gee was an amazing person, very full of life and very open hearted to everyone he met. He touched many lives near and far and I myself Melanie will be forever grateful for Gee sending one of his boys to the hospital to check on Tommy. I will forever remember the amazing hospitality Gee and Peewee had for us when they opened their home to us when we went to visit. Our hearts are heavy as Gee gets laid to rest today. Gone too soon brother in law and brother but definitely NEVER forgotten!! We both will love you now and forever and once Tommy gets better we will be out to visit you at your resting place. Miranda we are here if you need anything! We love you! May you rest in peace.

“ To the family of Drill Sergeant Williams my sincere condolences. My name is SGM Dawkins (retired). Drill Sergeant Williams was in my company. He was an Outstanding Drill Sergeant, a man who trained hundreds of Soldiers. We could depend on him leading by example never requiring more from his Soldiers he wouldn't do himself. We will always cherish those memories and moments. Just know the Soldiers and Leaders of the “Wolfpack” community will forever be grateful for his Service. God bless you, and may DS Williams rest in peace.

“ Our hearts are truly heavy with the passing of Geezy. He was more than a friend — he was a brother in spirit and someone who left a lasting impact on everyone who had the blessing of knowing him. The bond he and Eric shared will always be cherished, and the memories, laughter, and respect between them will never fade. Geezy had a spirit that was genuine, strong, and full of life. He will always be remembered for the way he showed up for people and the love he gave so freely. We are lifting the entire Williams family in prayer and asking God to surround you with comfort and strength during this incredibly difficult time. Rest easy, Geezy. You will never be forgotten.
