“ My grandma was everything to us. When she called, our family would drop everything and jump on the road to visit her. No matter how much money we had we always made a way to see her. She was our queen, our life, our world...she was the best grandma we could ask for. She always spoke the the truth and kept us laughing. She was full of life and was always willing to help anyone out in the family. If you didn't have anywhere to stay or no food, she would welcome you with open arms. My Grandma was our ANGEL even when she was still here with us. She showed us the true meaning of FAMILY! WE LOVE U GRANDMA AND I PROMISE WE WILL STICK TOGETHER NO MATTER WHAT! WE MISS YOU ALREADY!!!
