“ *My sincerest condolences to Kenny and family. Glenda was a renaissance woman...all sorts of talents. She was generous and caring, and a straight shooter. She and Mom were two peas in a pod...such a beautiful thing to see childhood friendships last for soooo long. I can only imagine that they have reunited and will laugh together throughout eternity. Peace.*

“ *I'm really going to miss my cousin. She had so many friends and no one was a stranger in her house. She didn't suffer fools gladly, but she had a big heart and would do anything for the people she cared about. Love you, Glenda. ❤️*
