“ You are a very special young man. I have nothing but fond memories of you. My bible teaches me that to absent from the body is to be present with the Lord. So I rejoice now knowing that you made it in. RIP Glenn. Love you. Charisse Hampton

“ *I will truly miss my Brother-in-law and friend Glenn. He was a true brother and friend who had such a big heart and love for everyone. I get really sad when I think about all of the wonderful times we have spent together as a family; and we will truly miss all of those delicious meals that you cooked for us over the years. Rest in peace my dear Glenn because you are in the arms of God and have no more pain or suffering. We love you so much and you will truly truly be missed but God loves you more and has given you rest!!*
