“ *When I was a little boy Greg and his brother took my bottle when I was going to get my mother a soda. They gave it back but I was crying. So every since that incident they teased me saying Abraham who your bottle and I would say that boy right there. Every time Greg saw me after they would say that even right now if he saw. He was a good friend to me and I loved him He will be missed. I love the Blount Family and zI am praying for You All. I love you all. Bishop Abraham Bullock*
