“ Greg was the epitome of a good man. Some people come into this world, as takers, but Greg was a giver. He would take the time to listen to you. But would give his **OPINION** whether you liked it or not. Family was his priority, he loved deeply! His laughter and that accent would light up a room. I will always treasure in my heart, the trips and family gatherings. But most of all, the love that he shared unconditionally. I know God has the final say, but it still hurts. Forever in my heart and prayers.
