“ ” For this is the will of my Father that everyone who recognizes the Son and exercises faith in him should have everlasting life and I will resurrect him on the last day." This promise recorded in the Bible at John 6:40 describe the prospect for those asleep in death. through his Son, Jesus Christ, Almighty God will restore life to countless ones asleep in death who are in his memory. What a beautiful hope he provides for those like yourselves that mourn the loss of a loved one. the resurrection assures you of his love, compassion and empathy for you. Please accept my condolences also.
