“ We started out at McDonalds with his crew/cousins and friends. Those were the best days. Harry and I talked back in May, and although we had not seen one another in years, we picked up where we left off. As we ended our conversation, Harry said pray for me sis, we will always be friends. Love you sis. Harry maybe gone from our sight but not our hearts. Love you brother. Rest on until we meet again. Take care family I love you
