

Mrs. Hattie McNeill Bryant

January 10, 1930 - November 28, 2023

Tuesday November 28, 2023, our dear mother was called home to be with the Lord. Hattie was born on January 10, 1930, to the late John and Serlina McNeill, in Rockingham, NC. Hattie was the first of her family to attend college. She attended North Carolina A&T University with a degree in Horticulture and Education. She had an illustrious career as a Special Education teacher. Hattie attended Lewis Chapel Missionary Baptist Church, where she was a faithful member, and believer in Jesus Christ. She served on the Daughters of Zion, Floral Club, Sunday School Superintendent, and a tutor for many. Her love for the people of Lewis Chapel was endless. She was a loving mother, grandmother, great-grandmother, and a friend to many. An exquisite mother, she radiated joy and happiness in every place she graced. Her presence as a remarkable mother was unwavering, always available in times of need. Hattie was preceded in death by her loving husband Daniel L. Bryant, and a brother Ernest McNeill. Hattie leaves to cherish her memories one sister, Mable Gatewood; four children: Phyllis (Wayne) of Virginia Beach, VA, Daniel Keith of NC, Harriet Elisa of NC, and Monica Lewis of AL; grandsons: Shaun, Dietrich, Terrence, DeShawn, Malcolm, Jeremiah, and Josiah; great-grandchildren: Xena, Carson, and Ezra; a host of nieces, nephews, cousins, and other relatives; and church daughters, Darlene Bates and Roxanne King.

“ I can recall when my grandson Cameron, at the age of two, ventured on his first field trip. It was in her very own well- manicured back yard that Mom Hattie showed Cameron, as he rode in her little red wagon, all the beautiful flowers, plants and fruit trees. It was there where he learned where strawberries originated. On occasion, when one of my plants needed TLC, I would ask Lisa to come and rescue it so that Mom Hattie could restore it to life. Mom Hattie loved gardening and took excellent care of all her plants and others too.

“ I can recall Mrs. Hattie taking my Grandson Cameron, on his first field trip at the age of two. It was there in her very own back yard, he rode in a red wagon while she showed him all the beautiful flowers, plants, and fruit trees. That was when he learned where strawberries originated. Whenever I had a house plant in need of some TLC, I would call Lisa to and rescue it to her home. They took great care of all their plants including a select few of mine. Thank you. Praying for peace and comfort for the entire family.
