“ Miss Helene will be deeply missed. She loved to talk about her grand-daughter, her sisters two pug dogs, and her son's. This lady had a beautiful soul and she could walk into a room of strangers and know everyone when she was ready to leave. Miss Helene has left this earth too early in her life, but we all know that the heavens above have a beautiful Angel to watch over her family. My condolences to her family during this time of grieving.

“ Mom, as I sit here to write, the tears are streaming down my face for I miss you so much and I love you dearly. I know you’re in heaven looking down on us and you are no longer suffering in pain. I’m so thankful for the love that you gave to our family and for you raising me the right way since I was born. Sherri and Gracie are missing you and wanted to let you know that we all love you. Rest in Peace mom until we reunite again in heaven.
