“ My old friends Wayne and Bernice. It is with fond memories that I recall Wayne. Wayne along with his family were our neighbors. As children, we spent many hours playing. Wayne's goal was to chase and aggravate me, he did a good job.  
At seventy-one I can say I can still sprint because Wayne kept me running.  
Bernice, a classmate, and a friend, you are still a very beautiful woman both inside and out. Thank God for the beautiful hours we spent in school. Please know you are loved and always have been.
