“ Man, I can't believe you left me, you have been my Big Brother all my life. Always my Protector. I remember when you would call me and ask me if I'm okay or did I need anything? I would always tell you I'm good, besides that I got a Husband that takes care of me. You said, I don't care nothing about that, you little red headed heifer, do you need anything? You always made me smile. It's hard on me to know that you have transition, tell Mama and Mama Hattie I Love them and can't wait to see you again. Love you My Brother 🥹
