*“ Jackie was my coworker at 71st Classical Middle School. She was a beautiful soul and an amazing teacher! I told her that if SHE had been my Algebra Teacher, I would have actually understood it! One of my fondest memories of her concerns our monthly school dances! We patrolled the dance area and she ALWAYS had her trusty yardstick, making sure that our youngsters were a decent amount away from eachother! LOL! She was such a joy and everyone loved and admired her! God Bless You All!*

“ *I had the honor to grow up next door to Mrs. Davis and her amazing family. There was never a day when I was not greeted with a warm hug and a brilliant smile. I always enjoyed stopping by her home when I came back to visit. Yolanda, Jacquetta, and Eddie we love you all and are praying that the Lord surrounds you and your family with the supernatural peace that only he can provide. I'm sure your dad was rejoicing when he was reunited with the love of his life. I will forever be thankful for the gift I was given by having your mom in my life.*

“ Ms Davis was the first teacher that looked at me for me. She didn't compare me to my brothers and sisters. But made sure I was good and doing what I was supposed to do. My prayers are with the Davis family. I pray for comfort and peace during this time. Knowing that God makes no mistake.

“ It was my honor to work with Mrs. Davis at Seventy First Classical. Mrs. Davis cared so much for her . She was so instrumental in the success of our school. The students that Mrs. Davis taught were forever touched by her. She was such a special person. I am so lucky to have known her.

“ Mrs. Davis was a ray of sunshine. I worked on the same team as her both at Westover Middle and at Seventy-First Classical Middle. My first year of teaching, Mrs. Davis gently showed me the ropes, gave advice, and demonstrated her love for teaching. Years later when I was hired at Seventy-First Classical Middle School, Mrs. Davis again was a breath of fresh air and helped me to get acclimated to a new school environment. Her wisdom and her kindness will always remain a memory with me.

“Mrs. J. Davis” was my 7th grade math teacher a little over a decade ago, and she was a true blessing to her students. Her smile, humor, love for the kids, and unique style of teaching are still very memorable to this day. She managed to make 7th grade math fun, which is a feat alone, but she also managed to connect with her students and help them feel safe in her classroom. I imagine she has touched more lives than can be counted, and I hope her family can find some comfort in thinking about the endless ripple effects of goodness everywhere that Mrs. J. Davis put out into the world. Sending love and prayers to the family.
