“ I express my sincere condolences to Maj. Tandra Adams family! She had such a big heart! She would often call me or send me messages that were motivational, prayer, or just advice about life. She supported my kids no matter what they were selling! Not only is this a great loss for the family, but also for her extended work family! She touched many peoples lives and left some huge shoes to fill! All she talked about was leaving a legacy for her babies kind of like she was preparing everyone for this day! My prayers are with the family during this difficult time!!

“ Major Adams will be remembered by me for her beautiful smile and big laughter. She had a warm personality and always said, "Hey Baby", which made me feel special! She has left a huge hole in our lives, but to God be the Glory, she is with Jesus! Praying for Ke'ana and family as you continue your journey in life without her present here on earth. I'm sure she will be kept alive in your hearts through a breeze, a bird, or a story. Her memory will remain alive in our hearts! God bless you!
