“ James Brown was definitely set apart from anyone I've ever met. His humor, kindness and genuine concern for others, will never be forgotten.

I'll always remember his contagious laugh and beautiful smile.

My thoughts and prayers are with Jaynell and Brandon; as well as the entire connected family during and after this challenging season.

May God continue to strengthen, comfort and grant you all HIS PEACE that surpasses all our understanding.

Respectfully,

“ James was the most caring person I have known. Her really creeped about his patients. He also would give the world to his children Brandon and Jaynell. He loved them with his whole heart and they were his world. He will be missed greatly. Thinking of Brandon and Jaynell and Joyce. Clarissa Woodman
