“ I met James in June of 1985, st the wedding of his brother in law Les to Sheila. My brother and I walked in, as we approached the bar, James , who was bartending, said to my brother, "You family, right. You look like family, I'm, James, Yvonne, husband. You can bartend for a few, okay!" Mind you, neither my brother, nor myself had ever met James. My brother was stuck for more than few, had to find James. He has always made me laugh! You were loved by many, you will be missed.

Love, your sister n law, Janet Devereaux
