“ *George as I knew him, loved God, his Family, his Church and his Community. He will be greatly missed. I am here for you. We Loved George but God loved him best. It is sometimes hard to understand; find comfort in knowing that God doesn't make any mistakes. He has picked another Angel from the earth and taken George to be with him. Love you, Family. I would like to say I bet I know the pain that you bear but I do know that in all that you're going through God has the last say so when we go through difficult times in our lives this seems to be the worst but if we keep our head up and know that God is the one who holds our hand he will be there for us at all times and at the end of the day when all the cars have gone and all the doors have closed just to know to hold onto God's unchanging hands because he is the one who will fill the void at the end of the road know that I am here for you anytime you need me I love you all and no that God is your present help in the time of trouble take care and no let God loves you.
