“ *I had the pleasure of meeting Mr. Smith at the VA Medical on 3A. I work at the hospital as a nursing assistant . He was one of my favorite patients. He would share stories with me about his past and he always would say "everybody deserves a second chance, sometimes people make bad decisions in a life but god will forgive you." I developed a close bond with Mr. Smith, like him I had a past too. And we both know it was only the lord that brought us thru. He will always be in my heart and I will truly him.*

“ *To the family and friends of Mr. James Smith. I had the honor of being one of the many caregivers for Mr. Smith while he was at the Fayetteville VA Medical center. He always had a kind word, funny tale, or smooth dance move to start the day off right. He shall be dearly missed by all that had the privilege to serve him as he so honorably served our country. Rest easy now my friend, your memory shall never been forgotten.*
