The name PREACHER was an honorary name given to him by his uncle as he saw him as a PREACHER MAN because when he spoke everyone listened to his words

He grew up in Lumberton NC where he graduated from Lumberton High School and later moved to Fayetteville NC. He just always wanted to help others. He married Karen Jones-Pierre which they later divorced.

Preacher was a laid-back guy that was full of life and strives for nothing more than to live his life to the fullest. Mr. Wells loved his family to the fullest it was nothing that he would not do for his family. He loved taking long rides just looking out the window in such peace and confidence.
