“ I got this book African countries and culture from a yard sale and it's so kind and respectful and informative I've had it for eons and I shall go on having it. I was looking at it the other day and happen to have a cell phone around so I Google Mrs. Or Dr. Jane and there she was a soul sister "I never knew I could love anybody, baby like I loving you" your contributions speak for it's self. Thank you
