“ *We had no choice.
Knowing that we would become the best
of friends for the rest of life, I would have never guessed.*

*Granted, we fought a lot and sometimes
hated each other at times,
but we had no choice.*

*We've laughed, we've cried, we've loved,
we've hoped, we've dreamed,
but through it all we stuck together,
but we had no choice.*

*I love you forever, till the day I die.
You will forever be in my life.
We really have no choice.
We have no choice
because you are my sister for life.*

“ The Comforter comes to comfort the bereaved. A dear friend has gone to her heavenly home, May the family find comfort and be encouraged knowing Jane fought the good fight, she finished the course which was laid only for her, now, she has gone to receive her crown which has been laid up just for her.
