I don't know your family but my son went to school with Paige, his name is Sean Powers. I will be praying God will comfort you and give you peace! God left you that baby girl as a gift to remember Jared and what a blessing she will be to keep you strong and bring her up to have a good relationship with you but also remind her of daddy by showing pictures and talking about him so she will always know who he was and remain a part of her life. May you find peace and comfort very soon
