I called Jarvis's phone today to talk to him, not knowing he had passed away. Later looking for his address to visit him and learned he had passed away by looking online. So saddened by his loss. He was a good friend.

I met him some years ago at ours uncle Purnell Powell funeral we talked on the phone sometime, but he was a cool person. I wish I have would have gotten to know him better wow I just found out about the funeral today. If I would have known I would have been there like I said me and soul rest in peace.
