“ *My Darling, My Angel, My First born, My Shadow, My Love... I am so very grateful for the 28 years that Allah (SWT) has allowed you to shower me with unconditional love. You would always say to me "Mother, you are the most wonderful and best mother in the world; I don't know what I would do without you." Now, I have to learn and depend on Allah(SWT) to get me through life without your physical presence...We come from Allah(SWT) and to Him we return. Thank you for giving me four precious & handsome grandsons.*

No more pain, No more suffering, No more worries...Loving you unconditionally.
