“ Words cannot begin to express our sorrow for your loss. Our deepest sympathies are with you during this difficult time. Jason bought all of us the fondest, funniest memories. He bought us so much joy in our lives. Jason made our lives and the world a better place. He will be deeply missed, and we will forever hold these memories forever in our hearts. Jason, Coach you were a treasure.

*I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing. 2 Timothy 4:7-8*

“ *It's hard to think that you are no longer here with us. God knows what he's doing when it's time for us to come home. I remember when you first came to Harnett Central Middle School, you would randomly shout out in the hallway {What are you doing to be great?} I would be in tears laughing saying to myself this guy is not playing with a full deck. You were not crazy, you were passionate about kids and tried to show them their full potential. You gave me the opportunity to help with the growth of these kids and I am so grateful to call you brother and friend. Coach J, you've done a lot to make us great! Thank you. I love you bro.
