“ *My aunt Jean was the best aunt a girl could have had. She named me Renee. She was always there for me. She was funny, full of life, and loved to dance. She taught me to grow house plants which is a passion of mine to this day at my old age. I will always have fond and great memories of her. I am truly grateful and thankful to God that I had her in my life for so long. LOVE YOU AUNTIE!!!!!!*
