“ It has been a year and yes you are and will forever be in our hearts. As a candle burns and sparks bring a light, you will forever rest upon each of us. There is a place, a void that will never be filled because of your absence from here. We know to be absence from here is to be in the presence with our creator. You were an excellent son, a great father, an esteemed brother, an awesome nephew, a loveable cousin, a wonderful friend and had an outstanding performance in athleticism. You were all that and more. You will always reside in our hearts. Your candle light will always burn in and with us.

Uncle Terry,

“ No words can't express how sorry I am at this time for your family. I know there's nothing I can say to ease your pain, but keep Jesus in your heart and he will ease your pain over time and give you an understanding,
