“ Sis Jennifer has a very unique spirit. I would personally describe her as someone who has a great big heart and a unique selflessness. She said what she means and means what she says even if she rubs you the wrong way LOL. She is fun, talented, stylish, and she knows everyone. Lastly, if she has a point to make, she makes it! I will truly cherish the memories I have of her because all of my memories I can honestly say were mainly smiles and laughter. Any other memories don't matter. She truly helped me along my journey and I will be forever grateful for being able to meet such a great person. Shine bright like the diamond that you are Sistar and know that you will be greatly missed because you are truly UNFORGETTABLE!
