“ To JD, my brother and one of my closest best friends, today was one of the hardest things I had to deal with in a very long time. I never thought we would be here, never saw it coming. You have been such a good brother and friend that there are not enough words to express how much of an impact your presence has been in my life! I know time will heal all and the pain of losing the physical you will get easier. It will never be the same for me without your huge laugh and wonderful smile! You were indeed a beautiful mind and I am sad that more people did not get to know you. Rest easy my brother, we will chop it up like we always did one day, good beer and wings of course! Love you bruh! Go niners! I'm rooting for them forever for u.

Jermond was a loving and unselfish person. Words cannot express the grief we are feeling, and the void that is left in our lives. JD has left his footprints on our hearts, and we will miss our conversations and laughter that we shared. God has truly taken one of his greatest Angels. We will forever love you and cherish the memories.

My thanks to all of Jermond's acquaintances for your support and encouragement. It's been nine difficult months knowing my son is not with us anymore. I appreciate the gifts and all acts of kindness. Let's all continue to pray for each other. As I try to focus on healing and happiness, my heart still aches. 🙏🏻
