“ I have been acquainted with Jerry for almost 35 years. He was my co-worker and friend. He and I would talk from time to time about family, other issues and things we were dealing with on a personal and try to encourage each other. A few years ago I was going through a very difficult time because I was "overwhelmed" with life, family and work. He would check on me and ask how I was doing as well as Bernice. Actually, one day Bern came by the office and said "girl you've just got to give it ALL to the Lord and HE will take care of it." True...but sometimes that's easier said than done but I've tried to walk by faith and not by sight. Thank you Jerry for your words of encouragement and friendship. Rest in peace my friend. (Kathy)
