“ When I first moved to NC, Jesse was one of the first people I met! From day one we developed a bond that no one or any time could ever break! There weren't many days that we didn't spend together back in those times and those memories I will forever hold near and dear to my heart!! Life separated us for years but when we reconnected it was as if we had never lost that time! I'm definitely going to miss that smile and the hugs that seemed to never end! I love you baby! Keep an eye on your Dab until we meet again!
