“ My Condolences to the family I worked with Mr. Jesse and we were very close friend, he would always come to me when he didn't understand something on his paperwork, most of the time he would ask me what I thought about something, we had so many laughs and jokes I would always see him and Yell out MR..... JESSSE and he would just laugh at me, anything that went on in the building I would always make MR. JESSE a plate that was my friend I will always remember MR. Jesse and the way he talk I would always mark him so he would say jessica u foolish while he laugh, such an awesome Man with a loving spirit always doing something for someone else we use to take turn treating each other to lunch when I was a custodian but when I got in the office I made it my business to go see him in thee other building just to make him smile by calling out his name that was my friend I will truly truly miss him.
