“ Well this is a day that I would rather not have seen, I know my sister Sandra's heart is heavy and so is the rest of the Family's heart as well. I am in tears as I'm writing this but it has to be done. To you Sir, Uncle ,Father & my Friend !!!and I can say this cause when something was wrong with me & Sandra told him what was going on with me I always got an answer on what needed to be done. I'm going to miss you Uncle. I always go back to the trip we took to and we was on the prouch and boy did he have me laughing so hard Auntie was getting a little upset but not made enough not to laugh herself. And off we went to play some numbers. Uncle Jimmy I can say Job well done, from the first time I saw you, you Always made me laugh and boy did you remind me of my brother so much. I so sorry I never got to come to the house like I planned for this year. Well SLEEP IN HEAVEN MY FRIEND S.I.P
