“ *Warm Greetings,*

My name is Destiny Marshall. Sending my condolences to Andrea and the family! I was a student of both your legendary parents. I was in both Mr. and Mrs. Haynes classes at Terry Sanford High School. I pray you all have a peaceful healing and know that our angels are covering us every single day. My family and I visited their church. My mother sang and played at the piano that Sunday. If it was not for Mr. Haynes speaking about non-profits on WIDU radio station, my father would have never started a non profit. He encouraged and educated us all. We want to send our deepest love! These two pillars heavenly watching our community now and one day we will see them again! I learned life lessons from both Mr. and Mrs. Haynes. May they sing glory at the foot of the throne now!
