

Mr. John Roger McKoy

January 2, 1954 - February 27, 2023

John Roger Mckoy aka "Corn" of Hope Mills, NC passed away on Monday, February 27, 2023, at the age of 69. John was born on January 2, 1954, in Fayetteville, NC, to John Henry McKoy and the late Connie Lee McKoy (Nee Blue). He was the second eldest of four children, and as a child, he was given the nickname "Corn" because he enjoyed eating hominy corn.

John grew up in the Fayetteville area. He attended school in Cumberland County and used his knowledge to gain employment. He began working at a young age, and through the years he held numerous jobs until he landed a job with Black & Decker where he worked for more than 30 years.

On June 1, 1974, he was united in holy matrimony to Katie L. Kelly, and during their marriage, they were blessed with two daughters.

John was a quiet man with a sense of humor. When you met him, you immediately knew that he was a man of few words. But once he warmed up to you, he would somehow slide in a joke or two to get a laugh. He was also a diligent worker who understood the value of money. When his daughters wanted money, they had to decide whether the money was worth the lectures he would give about the importance of hard work and the value of a dollar. Eventually, they realized that the lectures were not worth it, and decided to get jobs.

John is and will be missed by many. He is survived by his wife Katie L. McKoy, his daughters Rogalene Mckoy Haywood and Christy Shanell McKoy; grandchildren Gabriel Maurice Haywood, Charity Briana Haywood, Omarion Jaylen McKoy; father John Henry McKoy; sisters Dorothy Ann McPhaul, Linda Arnett Mckoy (Irvin), Connie Frances McKoy; as well as a host of nieces, nephews, cousins, other relatives and many friends

“ Neighbor was my friend my buddy . I lived beside him for five years in a previous marriage . We didn't hit it off at first but he grew on me and I him . We spent a lot of time together in my garage . As I stayed 5 feet from his house give it take a few feet . But we always joked and laughed and did what men do . If I made chicken and rice he would be their with me and my dad if my dad stopped by . I moved married again and still kept in touch with each other he would come to my house and we sit by the barrel and tell some lies . He always had suma funny to say wen would shoot the breeze as we always did . He is as close to me as anybody I know except my wife lol . But yeah he was sort of a father figure to me and we talked about everyday life wen he was around Neighbor . I love you man and I will truly miss you . . His favorite saying wen he was tired of hearing suma was any how . . So my buddy my friend my neighbor . See you again at the burn Barrel man love you neighbor And Pittsburgh was trash this year But nc state doing pretty good tho . I know you happy about that . .
