“ *John was a dedicated worker in his church, He appeared a little shy at first but was very friendly. He never said much but what ever he said was from his heart . Once visited John in HS. hospital and his TV was on , I ask John was he watching TV or was it watching him. He would not talk but he gave a big smile. John was a fighter, he never gave up on his healing nor God. Sometimes in life we get tired and know that God has a better place for us to rest. We will truly miss him.*
