“ I would like to express my sympathy to the family of Wayne Robinson. He was the best friend a person could ever ask for. I graduated with Wayne in 1982. He was always smiling even if he was not feeling well. He would come into the Oil Company to get a battery and he always had a smile on his face. He was just a loving person and anyone who has ever talked with Wayne, had to feel the love in their presence. I will always miss his smile. The class of 82 will miss you and we will see you again.

Your friend,
Vicky

“ To the family of the late Mr. John my heart was sad to hear the passing of him. Know that God will comfort you in this time of bereavement and know that he will always be there with you. May God continue to bless you and be with you in this time of bereavement. Know that weeping may endure for a night but joy comes in the morning.
