“ *My Dear brother, Even though it's been years since we last saw each other, my love for you never faded. Losing you has shown me just how much time we missed, and how much I wish we could have had just one more moment together. You were so talented, full of heart, and you always tried to make the best out of life no matter what you faced. You loved your family deeply, and we loved you. It hurts to know we can't make new memories, but I take comfort in knowing you are finally at peace. I will carry you with me always. I love you, now and forever.*
Rest easy, Love your sister Sheena 🥺❤️.
